

MITEL

Superset | 4150

Advanced, intuitive, full function, multi-line digital touch screen display business telephone. The Mitel® Superset™ 4150 is a handsfree speaker phone with context-sensitive softkeys providing users sophisticated access to the full features/functionality of Mitel SX-200® and Mitel SX-2000® PBX business telephone systems plus PC connectivity to support TAPI-compliant applications.

Users

For heavy telephone users within the enterprise that require fast, user-friendly access to the most advanced PBX telephone system features including managers, professionals, call center agents and supervisors.

Call Handling Features

- Backlit touch screen display
- Full duplex handsfree operation
- Speaker phone
- Context-sensitive softkeys for feature-set customization
- Off-hook call announce
- 14 programmable keys with LED indicators
- Supports Automatic Call Distribution (ACD) agent and supervisor functionality
- Supports firmware download
- On-hook dial
- Dedicated headset jack
- SuperKey programming for easy access to PBX telephone system features
- Speed calling
- Placing calls on hold
- Transferring calls
- Setting up conference calls
- Voice mail access – large message waiting lamp

Scalable Functionality/TAPI Integration

- Integrates with Mitel Programmable Key Module (PKM) 12 and Mitel Programmable Key Module (PKM) 48 for easy addition of quick access function keys
- PC connectivity to support TAPI-compliant applications

Ergonomic/Physical Features

- Tilting base
- Wall mount
- Small footprint – 8.9" x 8"
- Available in Dark Charcoal Gray

System Software Requirements

- Mitel SX-200: Mitel LIGHTWARE® 17 or higher
- Mitel SX-2000: Mitel LIGHTWARE 29 or higher
