

PLANTRONICS

S12™

TELEPHONE HEADSET SYSTEM

Hands-free convenience and superior sound clarity.

For the small office and home office, the S12 is stylishly designed for easy use with a choice of headset wearing styles. The headset can be worn over the head for stability or over the ear for convenience. The headset also features Firefly®, the in-use indicator light that lets others know you're on the phone.

- **Hands free.** Improve your productivity. File, use e-mail, take notes while on the phone. Keep your hands free to multitask.
- **Noise-canceling microphone** delivers crystal clear voice quality and eliminates annoying background noise. Enjoy the whole conversation.
- **Call Clarity™ technology** filters phone line and room noise for clearer calls.
- **Firefly in-use indicator light** ends unintended interruptions. The unique boom-mounted flashing red light lets others know when you're on the phone.
- **Two-in-one convertible headset** delivers all-day comfort with a choice of wearing styles: over the head for stability or over the ear for easy-on, easy-off convenience.
- **Easy installation.** Connects to single- or multi-line phones.
